lockdowns, they continued online. However, they
run on a shoestring. Please contribute generously
to the retiring collection.

1. NOTICES

I am delighted to report two highly successful visits, firstly to Canterbury on September 25th, and secondly to Cirencester on October 16th. These were our first visits for 1½ years, and promise a return to 'normal service'. On behalf of members, I wish to thank the organisers, in particular, our President, Paul Hale, ably assisted by Alison Garratt, and our membership secretary Mark Jameson. I attended both visits - members' joy at resuming visits was palpable, and we can only hope that visits will continue.

But we are not quite there yet, as we unfortunately have had to postpone the London Organ Competition as explained in Section 2 below.

John Belling (Newsletter Editor)

Membership Matters

I am pleased to advise that membership rates for the 2022 calendar year are unchanged - £30 standard membership and £12 for young members (Young: at 1st January 2022 all up to 18 years, and those in full time study or apprenticeships up to 30 years). Your membership number appears on the envelope label for The Journal, and on posted Newsletters. If the number starts with "21" then renewal is due in the period 2nd January to 31st March (See Constitution, item 3d & 3f). The renewal form will be a page in the January Newsletter. My thanks to the large number of members who renewed on line for 2021.

The Newsletter is sent out as standard by electronic means – Mailchimp – please ensure your computer (particularly if you have a Company or School based e-mail address) recognises THE ORGAN CLUB. The Newsletter can always be found on our website. If you do not have e-mail or are unable to print, a printed issue is available. On-line & e-mail versions are regularly updated so please keep an eye on the Club's web site.

If you have moved or updated your system - telephone/e-mail during 2021 it is vital I am advised. Advising another member of the committee could delay your receiving information.

Loan of music sets for choirs

Owing to the disbanding of the choir of her church, committee member Judith Howard has asked me to remind members that the church is able to loan out sets of music to other choirs, and also a quantity of adult-sized robes, red cassocks and white surplices. (See July newsletter for more info.) Judith can forward a music list on an Excel spreadsheet to anyone interested. Email address: howardjudith@btinternet.com.

Isle of Man Tour (Originally scheduled for September 2020)

We are now looking to hold this tour in September **2022** with the expectation of avoiding Covid related problems – dates to be decided, but will be a week between September 5th and 17th.

A week exploring organs, with some Victorian transport

The Isle of Man has much of interest. We will focus on seeing some of the organs in the some of the many churches and chapels on the island, but will also have the opportunity to experience Victorian rail travel and in the process see some splendid scenery in this essentially rural country.

The island is a Crown Protectorate with its own parliament, legal system and currency. As an independent state of fewer than 90,000 residents that recognises the Queen as 'Lord of Mann', it has never been a member of the EU. Further details will be published nearer to the date.

Wednesday December 28th & Thursday 29th 2022:

The London Organ Competition

Further details will be published nearer to the date.

main London termini and complete the journey by London Underground. Charing Cross, Euston, Kings Cross, St Pancras, Waterloo and London Bridge stations all connect directly to the London Underground Northern line, on which Burnt Oak station is situated. Liverpool Street and Farringdon stations also have easy, but indirect, access to the Northern line.

London Underground Burnt Oak Underground station is the penultimate stop on the Edgware branch of the Northern line, between Edgware and Colindale stations, in Travelcard Zone 4.

(N.B. On the day, Northern Line Moorgate/Kennington & MET closed Aldgate/Wembley).

St Alphage Church is approximately a 10-minute walk from the station.

TRAVEL BY BUS

Bus routes 204 (Sudbury Town to Edgware), 251 (Arnos Grove to Edgware) and 302 (Mill Hill to Kensall Rise) travel along Watling Avenue, and pass Burnt Oak Underground Station.

Route 32 (Kilburn to Edgware), 142 (Watford to Brent Cross) and 292 (Cromwell Road to Edgware) all run along Burnt Oak Broadway, and stop close to Montrose Avenue, walking distance from the church.

There are no parking restrictions in Montrose Avenue on a Saturday, but allow time to find a parking space.

Saturday December 11th 2021

Committee member, John Varney, is endeavouring to arrange a visit on this day. Please note the date, and if successful, an email will be sent to all members with details.

Wednesday 29th & Thursday 30th December 2021:

The London Organ Competition 2021

(St. Clement Danes, Strand, London WC2R 1DH)

Unfortunately, we have once again had to postpone the London Competition. The virus figures are still too bad, and students are not back to normal working with their tutors. We have now arranged new dates, namely 28 and 29th December 2022 once again at St. Clement Danes. Let us hope that we will be able to return to a sense of normality next year.

Thursday December 30th 2021: St Michael Cornhill, St Michael's Alley, London, EC3V 9DS

Workshop for teenage OCSO members.

So, no Organ Competition this year, but the good news is that we have been able to arrange a training day on 30th December.

You will be coached by Jonathan Rennert (Director of Music at St Michael's Cornhill) and Jeremiah Stephenson (Associate Director of Music at All Saints, Margaret Street) on two historic organs. The tutors will create a relaxed and encouraging atmosphere, so that they can help you not only with registration, but also with the process of learning, practising and performing a piece. The sessions will end with short, informal recitals, which families are welcome to attend.

You will be asked to bring two pieces which you have learned (your own choice of any piece by Bach, and a second piece from the 19th, 20th or 21st century).

The Organ Club is only too well aware that coming to London for this exceptional opportunity may be costly in train fares. The Club is therefore prepared to award a bursary of £30 to each participant.

Email cegb36@gmail.com for full details. Applications close on 15 November.

Apply as soon as possible to obtain a place.

Club members are invited to attend as observers for the day for which there will be a required donation of £5.

Please check public transport services before travelling. There will be major works at Bank Station, and the Waterloo & City line and the DLR will be closed on December 30th.

Please email John Miley (cegb36@gmail.com) if you would like to attend.

Saturday January 29th 2022: Bloomsbury Organ Day

The Bloomsbury Organ Day takes place at Bloomsbury Central Baptist Church, 235 Shaftesbury Avenue, WC2H 8EP on Saturday January 29th 2022, 12:30-19:30, and Organ Club members are invited to attend.

Entry is free: it is hoped that the comprehensive 5pm buffet will be available depending on restrictions. The celebrity recital at 18:00 – 19:00 will be given by Richard Hills (Theatre and Church Organist) for which the charge is £7.

Dame Gillian Weir is once again giving a Masterclass (on 19th & 20th Century Organ Music) and Simon Williams will lead an RCO masterclass involving younger students. There will be the usual mix of recitals, talks, sales tables and displays.

Further details can be found at:

<https://organistsonline.org/bloomsbury/bcbcdays.html> - registration from November 15th.

In the Pipeline

The following visits are planned; full details will be given nearer to the time. Please note them in your diary! (though please bear in mind that these could be **subject to change**, particularly in view of the Covid-19 pandemic).

Saturday February 19th 2022: Master Class at Merton College

The Master Class will be given by Benjamin Nicholas on the fine new Dobson organ in Merton College Chapel, followed by Choral Evensong at New College, where the President was organ scholar, 1971-74.

The President has arranged for us to play the splendid Létourneau organ in Pembroke College chapel from mid-morning, while master-class candidates are rehearsing at Merton.

Saturday March 19th 2022: AGM at St Michael Cornhill, St Michael's Alley, London, EC3V 9DS

Details nearer the time, but please note the date!

Saturday April 23rd 2022: Visit to Derbyshire

We shall visit the following churches:

- Chesterfield Parish Church, (the crooked spire)

This is a major church with a superb organ and a very strong musical tradition.

- Dronfield Parish Church, again a major church and fine organ. I was once offered the post of Organist here, but unfortunately was not able to take it up.
- St. John the Baptist Church, Clowne, (a former mining village). I was baptised there, and it is where my parents are buried.
- St. James Church, Barlborough, village near Clowne and under the same Rector.

Visit organised by John Varney
