1. NOTICES

The **Birmingham Tour** is just a couple of months away now, and interest has been such that the tour is now fully booked! Thanks to our President, Paul Hale, for his heroic efforts in putting together this magnificent tour.

But before that, our Membership Secretary, Mark Jameson, has put together a wonderful day visit to **Goring-on-Thames** on Saturday July 15th, where we will visit four churches.

Full details are to be found in the entry at the start of section 2 below.

2023 Membership

At the current time, 9 young members have not renewed, and about 20 adult members are outstanding to renew. I cannot do more to remind you - the renewal form has been on each Newsletter since the start of the year and, at the time of mailing the MAY newsletter, all those outstanding were sent a posted printed renewal form. I do not want to remove members, but in effect by not renewing those are being paid for by those who have renewed - very unfair. So please, complete your renewals.

If you are financially embarrassed then contact either the Secretary John Henderson or myself, we do listen - we are a club, not a commercial organisation who just stop sending information when a renewal is not received on time. The final renewal form is on the back page of this Newsletter.

Renewal rates: Ordinary (UK) £30, £40 for outside the UK Postal zone. Young members: £12 UK, £22 non-UK. Second or more persons at one address – 50% rate, appropriate to age.

Payment options- bank transfer or UK Cheque. See form.

All changes to membership information – e-mails/telephone number/address must be sent to me not to any other officer.

Preferred contact is by e-mail markmdjameson@btinternet.com, landline telephone [no message facility currently] 01189 344212 in emergency only.

Saturday August 12th 2023: Swindon Visit

Communicated by Mark Jameson

Members of The Berkshire Organists' Association [BOA] are visiting SWINDON and I am very aware that quite a number of OC members failed to reach SWINDON in August 2022 because of a rail strike. Following the OC visit - see OCJ 2022/3 - pages 24 to 31, the organ at St Barnabas has had its stolen pipes replaced, and there are changes taking place at Holy Rood in service format. The BOA were planning this visit for 2024, but have had to bring forward in order to enjoy that organ. I am advised that the organist at Holy Rood is planning a special demo for those who attend by a well-known player.

The BOA plan is to commence the visit at Christ Church [10:45], then to Holy Rood [13:00] and finish at St Barnabas [15:30], where I hope tea can be offered. Should you wish to take part, please contact Mark Jameson [see Goring for details] More information will be provided to those who contact me - but please just don't turn up without contacting me first.

The central stopping place for buses in central Swindon is closed for 4 years, from the GWR station to Christ Church - bus 11, downhill walk via a park to Holy Rood, bus 17 from there to St Barnabas and back to the station. Day visit notes sending to those who take part.

One other point - can I encourage members to plan a short break in the area - BOA Swindon on 12th August, enjoy the area in the week, then take part in the visit that is already announced for NEWBURY on the 19th.

The large red brick church was designed by Stephen Dykes Bower as the original church by William Butterfield was bombed in the Second World War.
