# The Organ Club Newsletter

**MAY 2018**

## **NOTICES**

### **New Newsletter Editor**

This issue of the Newsletter is the last I shall produce. My involvement with the Newsletter goes back nearly 9 years, first as assistant while I was Club Secretary, then since September 2011 as Editor. In that time, I have redesigned the publication, and designed and launched the electronic edition.

I'm glad to say that John Belling is taking over from me. Welcome, John!

*Brian Caswell*

**July Newsletter contributions:** please email notices by 16th June at the latest to John Belling ([newsletter@organclub.org](mailto:newsletter@organclub.org)), or alternatively write to him at 42 Cunningham Park, Harrow, Middlesex HA1 4QJ.

### **The AGM and Special General Meeting (17 March 2018)**

These meetings were held at Bloomsbury Central Baptist Church. The accounts for 2014, 2015, 2016 and 2017 were approved. Peter Owen will serve as President-Elect, Neville Joseph offered to take on the role of Treasurer, and John Belling that of Newsletter Editor. After the meeting, Leslie Bevis-Smith, Keith Rawlings and John Henderson offered to be co-opted as Committee members. Kevin Grose has agreed to continue as Journal Editor, so the good news is that all the important vacancies have been filled.

The AGM was followed by a Special General Meeting in which the Constitution was revised in line with the proposed changes outlined in the AGM booklet.

Richard Blanch has spent an enormous amount of time sorting out the past accounts and the meeting was unanimous in endorsing the Committee's decision that Richard should become a Vice President. Mark Jameson also carries out a great deal of work for the Club; members also unanimously agreed that Mark should be given Honorary Membership.

The day was brought to a splendid conclusion with a wonderful recital by Thomas Trotter.

All this good news means that the Club is very much back on track!

### **The Organ Club Archive**

The latest edition of the Organ Club Archive (uploaded January 2018) is available for download from the Club website ([www.organclub.org](http://www.organclub.org)).

### SATURDAY 16 JUNE – WINCHESTER

We last visited the lovely City of Winchester in 1990, when we went to St Cross Hospital, Winchester College, and the Cathedral. Unfortunately we are unable to visit the College because of a big open day, but we are visiting the small historic church of St Lawrence, near the Cathedral after lunch. We start at the magnificent Hospital of St Cross, which is "England's Most Perfect Almshouse" (*Simon Jenkins*) with a large Norman chapel which is like a small abbey. We finish with one of the finest and largest cathedrals in the country.

St Cross Hospital is a mile outside the centre of the city. The most picturesque way to approach it is across the water meadows from the Cathedral, but it can be approached by road, which is just over a mile from the city centre.

#### 1100 Hospital of St Cross and Almshouse of Noble Poverty, St Cross Road, Winchester SO23 9SD

Please allow time to pay the admission charge (£5). Visitors can ask for the Wayfarers' Dole of bread and ale as they depart, which is a unique ancient custom.

The very fine organ is by Walker (1863, 1902 & 1907). 3 manuals 27 stops.

**1230 approx** Walk across water meadows to centre of Winchester (1 mile).

#### Lunch break

#### 1500 St Lawrence's Church, 18-19 The Square, Winchester S023 9EX

**1600** time to get tea.

#### 1730 Winchester Cathedral, 9 The Close S023 9LS

**Choral Evensong:** please get there in good time, as seating in the Quire is limited.

After Evensong, the Organist & Master of the Choristers, Andrew Lumsden, will demonstrate the organ, and there will be time for some members to play.
