### **2020 Membership - reminder**

The November 2019 & January 2020 Newsletters gave details of the rates – unchanged from 2019 year. **The renewal date was 1<sup>st</sup> January.** All those due to renew who ask for their Newsletters by post had a posted renewal form, whilst the majority who have newsletters sent electronically, had a link in the January Newsletter to download the renewal form. There is also a renewal form without banking information on the website. All payments by cheque received by 12<sup>th</sup> February have been banked and electronic payments are checked frequently. At the time of writing (16<sup>th</sup> February) only about half of the membership has renewed – thank you very much, and thank you for donations, where added to your renewals.

Your membership number appears on the envelope label of each Journal, and for those with posted Newsletters, on the Newsletter envelope. If the number starts with '19', **you are still due to renew.**

The constitution states that renewals are due to complete by the end of the month in which the AGM is held, i.e. by 31<sup>st</sup> March. Your prompt attention to renewals is requested. Please ensure all matters relating to membership and mailing list updates are sent to me; if they go elsewhere, any change could get overlooked.

My contact details are shown on page 3 of each Journal; my e-mail for ALL correspondence is [markmdjameson@btinternet.com](mailto:markmdjameson@btinternet.com); landline is **01189 344212** and text messages (NOT e-mail) can be sent to my mobile **07802 715634**.

The church which has never been visited by the club is a fine building built in 1815, and houses a 2 manual 20 stop 1877 organ by Forster & Andrews. It is almost untouched tonally, and was thoroughly restored by Andrew Cooper of the Isle of Wight in 2019, after having been almost unplayable for a number of years.

There will be an opportunity to hear and play the organ. There will be light refreshments available. At 2pm there will be a series of short recitals by local organists. Admission is free and donations are welcome. There is a rehearsal for Choral Evensong at 4pm for anyone who would like to take part.

**16:00 Clapham Methodist Church**, 121 High Street, Clapham, SW4 7JR  
Members will have the opportunity to hear and play the 2 manual 14 stop Harrison & Harrison organ of 1903 built for Kirbymoorside Methodist Church Yorkshire in 1903, and installed at Clapham in 1980. In 2018 it was cleaned and the pedal action electrified by B C Shepherd & Sons, who have maintained the organ since its installation. This will be a first visit for the club. We are grateful to the organist Dorothy Blincoe for agreeing to host the visit.

**17:30** Refreshments back at **St Paul's Church**

**18.00** Choral Evensong with the St Paul's Singers and guests (Canticles: John Ireland in C)

There is free street parking available at St Paul's Church. It is an approximately 12 minute walk from St Paul's Church to Clapham Methodist Church. Parking is difficult near the Methodist Church.

[contact@jamesparsons.org](mailto:contact@jamesparsons.org) .

**In the Pipeline:** The following visits are planned; full details will be given nearer to the time. Please note them in your diary! (though please bear in mind that these could be **subject to change**).

### **Saturday 20<sup>th</sup> June: walking tour - “New” Windsor parish churches.**

We will visit five churches: All Saints (1931 Hunter, last OC visit in 1931 when organ was new!), Holy Trinity, St Edward RC, St Stephen, Methodist Church. Travel to WINDSOR GWR station, then on foot. More nearer the time.

### **September 14<sup>th</sup> to 18<sup>th</sup> 2020: Isle of Man Tour -**

#### **A week exploring organs, with some Victorian transport**

The Isle of Man has much of interest. We will focus on seeing some of the organs in the some of the many churches and chapels on the island, but will also have the opportunity to experience Victorian rail travel and in the process see some splendid scenery in this essentially rural country.

The island is a Crown Protectorate with its own parliament, legal system and currency. As an independent state of fewer than 90,000 residents that recognises the Queen as 'Lord of Mann', it has never been a member of the EU.

The organs are mostly small and Victorian or Edwardian in origin, and the majority are of 2-manuals (we shall see the only 3-manual on the island, the 1886/1913 Hill in Douglas).

Accommodation has been block-booked in the new Premier Inn in the centre of Douglas, very convenient for shops and restaurants and within an easy walk of the ferry terminal, bus terminal and promenade. All rooms can be set up for either single occupancy, double or twin. There is a reasonable eating facility at the hotel, but also a range of other options close by for breakfast and evening meals.

Travel arrangements to and from IOM will need to be made by members at their own expense, to arrive by Sunday 13<sup>th</sup> September and leave on or after Saturday 19<sup>th</sup>. There are daily ferries to/from Liverpool and Heysham (enabling travel between Douglas and the London area by 'sail and rail' within a day), and flights by BA, Flybe, EasyJet and Aer Lingus linking the IOM to various locations in the UK and Eire. Pricing and availability of seats on these are generally better the earlier you can book.

#### **Cost of Tour**

The budget is still being worked on, and once finalised those who register an interest will be contacted with details. It will help with budgeting if you ensure that Don Roworth ([don.roworth@mcb.net](mailto:don.roworth@mcb.net), or text to **07624 318785**) knows likely numbers as early as possible, so please ensure he does know of your interest.

The Tour price will include 6 nights' accommodation at the Premier Inn, all on-island transport (private coach, train and tram), and a contribution towards overheads - principally production of the tour booklet and fees for the venues. Participants will be responsible for all meals and their travel to/from Douglas.

#### **Draft Outline of Itinerary**

Each day will start at the Premier Inn (coach on 4 days, walking locally on one day). Wednesday will definitely be in Douglas, but the other days may be interchanged.

Please be aware that these are **plans only - please do not try to contact the venues as not all are public buildings, and the sequences and availability may change.**

**Monday 14<sup>th</sup> September: CENTRAL & WEST:** Coach to Braddan, Marown, Peel, Kirkmichael and Bishopscout private chapel. Lunch at Peel Cathedral 'Big Table'.

**Tuesday 15<sup>th</sup> September: EAST:** Coach to Onchan, Laxey and Ramsey. Lunch in Ramsey. Electric Tramway back to Douglas.
